Exhibitors agree that their presentations will not:

- Engage in any sales in the presentation room before, during or after the presentation
- Engage in negative comparisons of other products
- Make unsubstantiated or incredible claims as to the capabilities of their products/services

I certify that, if upon submission, review and approval to present, the presenter will adhere to the programme and restrictions above, as well as all rules and regulations governing exhibiting found on the reverse of the exhibitor application and contract. This application together with your previously signed exhibitor contract form a binding legal agreement. Failure to do so could result in our organisation not being able to provide a session at a PMI event for at least three years.

Exhibitor Product Theatre Application

Please complete this information and return with payment. The information provided is for review, and the contact listed below will be notified upon acceptance. Your presentation **MUST BE** educational in nature to gain approval.

Organisation Name

Contact Person

Name

Phone Fax

E-mail

Title of Presentation

Topic

Please fully describe the product topic to enable our appropriate review and approval. If submitting this form by mail or fax, attach additional content on a separate sheet if more room is needed.

Learning Objectives

Learning objectives should be achievable and describe what the participant will be able to do after attending the session. For example: *"Participants will be able to identify five advantages of establishing a project management office in their organisation."* Or, *"Participants will be able to develop a project calendar using XYZ software."*

Presenters Name and Title

Acceptance of application, and/or participation in the Exhibitor Product Theatre program in no way implies PMI's endorsement of the presenting organisation, speaker or products.
