GIVEAWAYS / DRAWING RULES

1. You must advise us of all giveaways, drawings, and activities in writing prior to the deadline.
2. The ASE logo cannot be used on any promotional or giveaway items without written approval of the Society.
3. Giveaways must be available to all registrants.
4. This is an education based, scientific meeting; giveaways and drawings should maintain a professional atmosphere and reflect the objectives of this meeting, as well as, following the AMA Ethical Guidelines (<https://www.aao.org/ethics-detail/policy-statement--gifts-to-physicians-from-industr>).
5. All companies are strongly encouraged to adopt their respective code including limits on value of items.
6. A company may not raffle or give away at a trade show an item that it could not otherwise give a Health Care Professional.
7. Drawings and giveaways must be conducted from the exhibitor's booth and drawing winners' contacted by exhibitor.
