

Exhibitor Prospectus

2026 Multidisciplinary Radiopharmaceutical Therapy Symposium Committee member shares what to expect:

"There's a tremendous amount of exciting growth beyond prostate cancer for radiopharmaceutical therapy." - *Neil Taunk, MD*

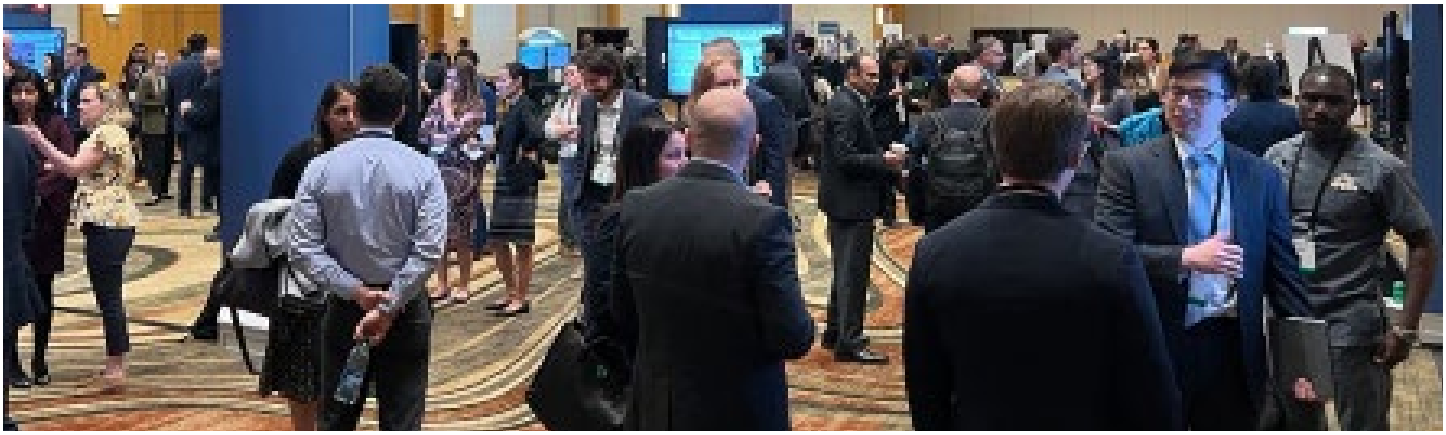

Connect with the multidisciplinary community shaping the future of radiopharmaceutical therapy.

Join us for this cutting-edge, dynamic symposium. The Multidisciplinary Radiopharmaceutical Therapy Symposium (MRPTS), March 18 – 19 in Chantilly, Virginia, brings together cancer specialists from across disciplines for two days of learning, high-energy collaboration and connection around one of the field's rapidly evolving areas of care.

- **Reach and engage with key decision-makers** across multiple disciplines who treat patients with radiopharmaceutical therapy.
- **Put your products and services in front of a highly targeted audience** focused on the evolving role of RPT across cancer care and other clinical indications.
- **Make meaningful connections and build valuable relationships** with attendees during dedicated exhibit hours.
- **Align your organization with a highly rated event**…9 out of 10 attendees rated the overall quality of this event as "excellent."

Reserve your exhibit space today, visit **www.astro.org/rptsymposium.**

EXHIBIT ELIGIBILITY

ASTRO views the Exhibit Hall as an integral part of the educational and scientific program. Qualified exhibitors are limited to firms, organizations and agencies whose exhibits promote an awareness of products, technologies and services that are recognized and approved by ASTRO as being in harmony with, and supportive of, the objectives of the Multidisciplinary Radiopharmaceutical Therapy Symposium. ASTRO has the sole right to determine the final eligibility/qualification of any firm, organization, agency or product for inclusion in the Exhibit Hall. Rulings of ASTRO shall, in all instances, be final with regard to allowed use of exhibit space.

Exhibitors may not assign, sublet or apportion to others the whole or any part of the space to which they are allocated. Only those products and/or services that are manufactured or distributed by your company may be displayed in the Exhibit Hall.

SPONSORSHIP OPPORTUNITIES

Put your company in the spotlight. Sponsorship opportunities provide additional ways to increase your visibility, strengthen brand recognition and extend your presence beyond the 2027 Multidisciplinary Radiopharmaceutical Therapy Symposium. **View available opportunities on the Sponsorship Opportunities website.**
