Join us for the Largest Physical Therapy Conference in the World!

The APTA Combined Sections Meeting (CSM) is the largest and most dynamic professional development event for physical therapists, physical therapist assistants, educators, researchers, students, and industry professionals. Each year, members from APTA's 18 specialty academies and sections gather to share knowledge, collaborate, and promote the future of physical therapy.

CSM 2026 was an unforgettable experience bringing together thousands of physical therapy professionals and students to learn, network, and celebrate more than 50 years of innovation. In Anaheim, we pushed boundaries and expanded horizons in physical therapy.
